**Please read the following instructions carefully before completing this form**

The Standard Transfer Form you requested is included in this booklet. It is important that the Transfer Form is accurate and complete and all requirements have been met to avoid the form being returned to you for correction or further action.

**When should you NOT use this form?**

Do not use this form if you are buying/selling/transferring broker sponsored/CHESS securities. You must contact your broker to perform this transaction. To check whether you have a broker sponsored/CHESS holding, you should look at your Holder Identification Number. If the number begins with an "X" or "L" you will need to contact your broker.

**What to do if you hold certificates**

If the holding is certificated, please enclose the original certificate(s) with the transfer form when it is returned for registration. If the original certificate(s) are not provided, the transfer may be returned.

If you are unable to locate your certificates please contact Computershare on the above number.

**Stamp Duty requirements for unlisted securities**

If the securities being transferred are not listed on the Australian Securities Exchange (or other recognised exchange), Stamp Duty may be payable. We understand Stamp Duty is only payable in New South Wales and South Australia, however you should confirm this. Assessment and payment of stamp duty (if applicable) must be made prior to sending the transfer form to Computershare.

**Do you need to complete more than one Transfer Form?**

You must complete and return a separate Transfer Form for each class of security and each registered holding. For example, if you are transferring ordinary fully paid shares and also options, you will require two transfer forms.

**How do I complete the form?**

Carefully read and follow the instructions for Sections A, B and C when completing the form.

**What if I make a mistake when I'm completing the form?**

If you make any alteration to the form, it MUST be initialled by both the Seller(s) and the Buyer(s). If you increase the amount of securities being transferred or you use correction fluid or tape, we cannot accept the transfer, even if it has been initialled. You will need to complete a new Transfer Form.

**Who do I contact if I need help with completing the Transfer Form?**

If you have any questions about this form or require further assistance please contact Computershare on the above number.

**Where do I return the form?**

The original transfer form must be returned to Computershare. We cannot accept a copy, fax or email, so return it by post to the address above. **DO NOT DETACH any part of this form.** All pages must be returned. If all pages are not returned, we may not be able to register the transfer.
